## INTRODUCTION

Welcome to the Dunnerholme Golf Club. We hope you enjoy the course and facilities. As a new member, we feel it is important to let you know about the Club and some of the important rules.

The Dunnerholme Golf Club was founded in 1905 and is a unique, 10-hole course with 18 different tee positions. The 6th hole is our 'feature hole' with a green on top of the rock. No other course in England can boast to such a hole!

## ACCESSING THE GOLF CLUB

A speed limit of no more than 15 mph must be adhered to once leaving Duddon Road and accessing the Golf Club entrance road across the field.

## ETIQUETTE

There are two basic principles to etiquette on the course –

### **RESPECT the course and RESPECT for others!**

#### **Examples: -**

- Not talking during a player's swing
- Repairing pitch marks on the green
- Replacing divots
- Slow Play – you must try to avoid this problem! Here are some useful tips to help you. If your ball is heading for the rough, do not look away in disgust! Try to get a line on it! e.g. A bush, a post, or anything which will help you find your ball.
- Avoid excessive practice swings.
- Be ready to play as soon as it is your turn.
- Proceed to your ball as soon as it is safe to do so.
- At the putting green, leave your bag in a position that will allow quick and easy movement off the green, to the next tee.
- Don't walk on another player's line of putt or cast a shadow over their line of putt.
- When the hole is finished, leave the putting green immediately.
- Mark the score card on the next tee
- When marking the score card, record the player's score after every hole. Check it with the player if necessary.

## **RULES & REGULATIONS**

In conclusion, there are many rules that apply in golf, but unlike many other sports, unless it is a tournament, there is no need for a referee or umpire.

Players must know the basic rules themselves. Be honest about the number of shots which you take and play the ball 'as it lies'. Moving or interfering with the ball is a big 'no no' (unless preferred lies are in operation). 'Preferred lies' means that you may move the ball 6 inches to the left or right or behind, but never nearer the hole.

You are only allowed 3 minutes to look for a lost ball - Rule 18.2a(1), this is to help keep a good speed of play.

You will find within this pack, a copy of Local Rules. Full club Rules & Regulations can be found in the Red file in the clubhouse – please take some time to read them and adhere to them at all times.

LAST, BUT NOT LEAST This leaflet is designed to give you a basic starter for the rules and etiquette in golf and to help, make your games more enjoyable.
